

Welcome to 2nd Grade!

August 2023

Dear Second Grade Family,

Happy New School Year! Welcome to Second Grade! My name is Melissa Nelson. I hope you are enjoying a fabulous summer!

I am excited to be your child's teacher this year. We will be starting off our year with the theme "It's Your Time to Sparkle Second Grader"! To be most effective I am writing to ask you to become a partner with me in your child's education. I feel it is so important and valuable for us to develop a strong partnership in order for our children to be successful in learning and life. I want our children to develop a love for learning that will last a lifetime.

I start off every year developing relationships with my students along with forming our classroom community. As we enter this year, I feel that these relationships are even more critical than ever before. This is where I would like our partnership to begin. Please provide me with any pertinent information about your child that you think that I should be aware of, such as their interests and school experiences. Please email me with your responses and/or any questions or concerns @mnelson@madisoncentralny.org.
