

Dear Families,

Welcome to third grade! I hope you're all having an amazing summer! As many of you know, I am Mr. Matteson. I have been teaching here at Madison for more than ten years now. I have the pleasure of being a father to two wonderful six year old boys and a daughter that is almost four. I'm very excited about this upcoming year and I can't wait to get started!

This year we will be working very hard on math topics like multiplication, division, fractions, and time. We will be using a new curriculum for reading and writing that we are all very excited about! We have lots of exciting things to accomplish and I look forward to seeing your child in September!

*If you ever have any questions or need to discuss something, please feel free to contact me.

Email: jmatteson@madisoncentralny.org

Phone: 315-893-1878 ext. 140

I believe that having an open line for communication is a great way to promote student learning. I look forward to working with your child this year and watching them grow as learners!

Mr. Matteson
