

To Our Incoming 4th Graders,

As a new face in the building , I wanted to reach out and introduce myself to all of you! My name is Elizabeth Rice, but you can call me Miss Liz. I am currently 24 years old and just finished up my final year at SUNY Cortland with my Master of Science in Education. It has been a long journey, but I am very excited to get into the classroom and embark on this new one with all of you!

Some of my favorite activities are recreational sports (volleyball and soccer), reading a good book, spending time with my friends and family, camping, going on the boat, as well as spoiling our dog kiwi. All of which I usually do during my favorite season, summer. However, we do spoil kiwi all year long!

Before we begin the year, I am hoping to get a glimpse of what interests all of you! To do this, I will have a google survey for all of you to fill out during our **Open House: Tuesday September 5th from 6:00-7:30 pm**. During this time, I hope to get a chance to speak with your parents about the upcoming school year and what are some mutual goals that we can achieve throughout the year! In this survey I hope to learn more about what you're interested in, hobbies, dislikes, and other feelings about the 2023-2024 school year!

Lastly, **Please bring in your needed school supplies to our open house!!** These supplies can be found on the Fourth-Grade supplies list attached ☺ I hope you all continue to enjoy your summer and time with your families! I look forward to meeting you all soon.

Any Questions?

You can reach me at erice@madisoncentralny.org or by phone at (315) 534-8675.

Warm Regards, Miss Liz ☺
