

Dear Students,

Hello! I hope you are having so much fun and enjoying your summer! I am so pleased to have the privilege of being your teacher this year! I have my Master's Degree in Childhood Education with over 19 years of experience and I love teaching!

I can't wait to get to know you and work with you to have a successful year. I would like you to think of things about yourself to share with me once school starts. For instance, here's some information about me: I love gardening, I am married with two sons Alfred and Liam who go to Madison School, my family raises most of our own food, we raise honey bees, we tap maple trees in order to have our own maple syrup, I love to bake yummy treats, and I love to read.

I have enclosed a survey to get to know you better. You can either mail it back to me or bring it back the first day of school. Enjoy the rest of your summer and I can't wait to see you on the first day of school!!

Sincerely,

Mrs. Nolan
