

## Welcome to Kindergarten with Mrs. Goodenough

Welcome to Kindergarten with Mrs. Goodenough! I am looking forward to this fun and exciting time with you all!

### TEACHING CAREER

This is my 6th year with the Madison Central School District and the 12th year of my teaching career. I have taught students of differing ages, but Kindergarten definitely holds a special place in my heart. I absolutely love this age! I hold a Bachelor's Degree in Psychology, a Masters Degree in Literacy, as well as dual Professional New York State Certifications for teaching Birth-6th grade. Each year brings new and exciting opportunities for both students and their families, and I look forward to these adventures with you, and your children!

**THIS YEAR IS FULL OF WONDER AND OPPORTUNITY AND I CAN'T WAIT FOR IT TO ALL BEGIN!**

### THE YEAR AHEAD

I am really looking forward to the personal growth that your Kindergartener is going to undergo this year! Your children are just beginning their educational career, and I hope to show them what a special and fulfilling experience learning can be! This year is a wonderful opportunity for each and every student to develop their sense of independence and succeed.

This year is going to be filled with loads of learning, and fun. I believe that your child should face age appropriate challenges in order to learn perseverance and gain confidence. As an Early Childhood Educator I know the importance of a nurturing, safe, and predictable learning environment. This will allow each child to succeed individually. An equally important part of our year together will be the character building, and the continual exploration of how to be a positive and active participant within their school and community.

### CONTACT ME

I strive to have open and effective communication between home and school, and encourage you to contact me through formal classroom communication methods at any time with questions and concerns.

I hope that you are just as excited about this school year as I am! I can't wait to meet your children! ***Please bring all of your child's school supplies to Open House.***

Sincerely yours,

*Mrs. Goodenough*
